

# URGENT NOTICE

## SOUTHBOUND LANES ON IMPERIAL HIGHWAY TO CLOSE FOR UP TO FOUR MONTHS BEGINNING FEB.13

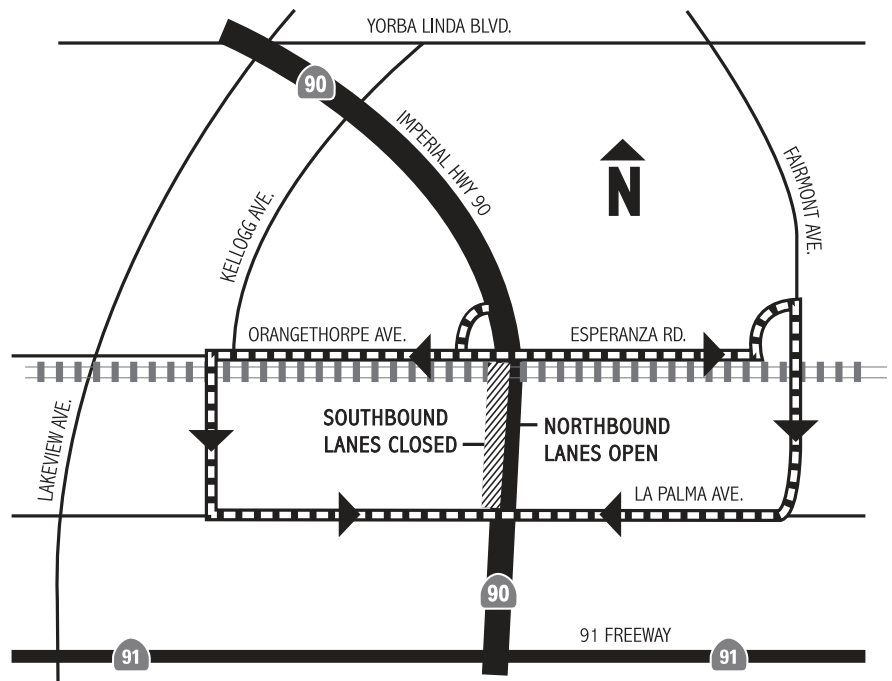

As early as **Friday, Feb. 13**, the southbound lanes along Imperial Highway between Orangethorpe and La Palma avenues will be closed to traffic for up to **four months**. Please follow posted detour signs to avoid traffic congestion during construction.

During the closure, crews will complete construction of the bridge over the train tracks at the Imperial Highway, Orangethorpe Avenue and Esperanza Road intersection. Crews will raise the existing road to match the height of the new bridge. Once work is complete, both northbound and southbound lanes will move to the newly constructed bridge.

Scheduled for completion in late 2010, the Imperial Highway bridge will enhance safety by improving pedestrian accessibility, alleviate traffic congestion and eliminate wait time for motorists caused by passing trains.

All dates and schedules are subject to change.

### Alternative Driving Routes

Please follow posted detour signs to avoid traffic congestion. Drivers are encouraged to take Kellogg Ave. or Fairmont Ave. to La Palma Ave. and continue east or west to access Imperial Hwy. or Lakeview Ave.

## Keep Me Informed

For construction updates, visit [www.octa.net/SR90](http://www.octa.net/SR90). For more information, contact Sarah Swensson at [sswensson@octa.net](mailto:sswensson@octa.net) or call the Transportation Helpline at (800) 724-0353.
